Mission Statement

Hodges Happy Cleaning is a company that is based on the belief that our customers' needs are of the utmost importance. Our entire team is committed to meeting those needs. Our Mission and Philosophy revolves around three key Elements: Complete Customer Satisfaction, Personal Commitment to our Clients, and Extraordinary Service. We take pride in being able to provide top-notch cleaning services at affordable prices.

Initial Contact

Prospective clients will visit our website for company information and fill out a **FREE ESTIMATE** form. In return we will get back to you within 48 hours with pricing and answers to any questions you may have about our packages and services. If you choose to hire us you will then just email us back with your choice of package to schedule a cleaning. We do offer consultation appointments but these are BY REQUEST ONLY.

The Consultation (BY REQUEST ONLY)

Prospective clients and Jennifer Hodges, owner of Hodges Happy Cleaning, will meet at the clients' home or office building for a consultation that generally lasts about 15 - 30 minutes. Consultations may be the same day as the first cleaning service or an appointment can be made to meet before an actual scheduled cleaning is made. During the consultation the following will be discussed:

- We will review your general household or office cleaning needs.
 - We will review Hodges Happy Cleaning policies and services offered as well as discuss the extra services we provide.
 - We will talk about payment options, scheduling, as well as go over any questions you may have about our services.
 - We will go over a room by room checklist that will be available for you to review prior to cleaning your home. A complete list of the different checklists are also at the end of this guide.
 - Once our checklist is discussed, Jennifer Hodges and or HHC staff, will start cleaning your home or arrange with you a finalized date for services.
 - We will also discuss how we will be gaining entry into the office or house. In most cases with an office space, keys and or alarm codes are exchanged for after hour and or weekend cleaning. There are several options for gaining entry with house cleaning services and those will be at the preference of the homeowner.
- We reserve the right to decline requested services.***

Clientele

Hodges Happy Cleaning provides services to Residential, Vacation Rentals, Commercial/Office Spaces, Empty Homes, New Home Builds, Apartments, Model Homes, Spring Cleaning, as well as cleaning services for special occasions.

Our Services

Visits to your home or office will usually last anywhere from 2-5 hours. Time of service depends on the size of the property, what needs to be done, and the condition of the property.

Hodges Happy Cleaning Will:

- Give you a set time for your cleaning service. This will be set up ahead of time during consultation. If this is a weekly cleaning service for an office space, we will request that we do the cleaning after hours or on weekends to avoid being in people's way while cleaning.
- Complete all services described in the approved plan.
- Use our own cleaning products and supplies with the exception of office spaces & vacation rentals. When cleaning office spaces and vacation homes, we will request that you supply all toiletries (paper towels, and toilet paper for bathrooms), and trash can liners. We will supply our own dusting & cleaning supplies, vacuum and mop for all cleaning jobs.
- Dispose of all trash at the end of the cleaning service.
- Always be sure to lock up after cleaning services are complete.

Hodges Happy Cleaning Does NOT:

- Provide service to households during times that the house is occupied by unsupervised children or teenagers.
- Operate washing machines, dryers, stoves, or any other gas or electric appliances (unless instructed by client). This is with the exception of Vacation homes where we need to do full laundry service.
- Let in service people such as electricians, UPS drivers, etc.
- Feed pets or clean up pet accidents. **We do NOT clean up dog/cat urine OR feces!**
- Access your phone or answering machine
- Exchange keys with anyone. Jennifer Hodges – Owner of Hodges Happy Cleaners will be in possession of your keys at all times. If her staff needs to gain access to the premises to clean, keys will be picked up from the HHC office the day of the cleaning and returned right away after the job is complete. Jennifer Hodges will also keep all keys and alarm codes in a fire proof safe at the Hodges Happy Cleaners office located in Surprise AZ 85379.
- We will never share any client information such as phone number, address, email address, etc.

Hours of Operation

Hodges Happy Cleaning provides cleaning services seven days a week, Mon – Sunday. Our staff is fully trained, experienced and trustworthy.

Empty House Cleans & First Time Cleans

Please note – if we are not able to see the house BEFORE we go in to clean **PRICES ARE SUBJECT TO CHANGE**. A lot of times there are things that are not mentioned on the form that we need to charge extra for once we actually get in and see the house. Examples would be excessive pet hair on baseboards, carpets, and other areas of the house, extreme mess inside fridge, oven or microwave, stuck on food or grease on cabinet fronts, excessive mess inside cabinets & drawers, and many other things that we run into that would cause longer cleaning time. We will notify you of this at the start of cleaning and a new price will be determined.

Rates

Initial Consultations

Free of Charge

Packages – We do offer cleaning packages. (attached) We offer a 'Basic', 'Dirt Buster' and 'Ultimate' package. We also offer rates specific for monthly cleaning services. *Package prices are subject to change.*

Office Spaces

Rates for these kinds of spaces generally depend on the size of the space, the number of times per week/ per month that services will be performed, and the details of the services provided. Rates usually start at \$40/clean for weekly office cleaning.

Residential / Apartment – Basic & First Time Cleaning

The very first time we clean a house or apartment, the rates will be a little higher than a regular monthly cleaning would be. This is mainly because the first time we clean, it takes a lot longer than if we were to come on a regular basis. We also do a 'deeper' clean the first time, and offer 2 packages for this service. First time cleaning services usually take anywhere from 3-5 hours depending on the size of the house. We also usually have 2 - 4 people come clean for the first time cleaning service. Please see our packages for more information & prices. Prices are higher for houses with wood flooring, pets in the house and glass shower doors.

Empty/Foreclosed Homes

With homes that have been foreclosed or short sold, and are now empty and need to be cleaned, there is a little more work that goes into these kind of cleaning jobs. As a result we charge a little bit more than we do for regular Residential House cleaning. Rates for these cleaning services start at \$150 and like the other rates are also based on size of the house, the condition of the house, and what services are requested.

Feel free to call, text, email or visit the website with any questions or special requests. We will be sure to get back to you with any comments, questions, etc within 48 hours. Email is the best method of contact. You may also Facebook message me on our company page.

Payment Options & Additional Fees

- For Residential Cleaning jobs, we ask our clients to pay with cash, or check. We do offer online credit card payments as well on the company website. There is a **billing section** on the website for payments to be made. We do charge a \$5 - \$10 transaction fee if paying with a credit card so please notify Jennifer before making payment so you know what the charge will be!! Please make all checks and money orders payable to **Jennifer Hodges**. Payments are due **same day** of service **We will ONLY accept cash or checks on first time cleans.**
- For Office Cleanings and other services that we will be doing on a monthly/weekly basis we will email you an invoice. These will be set to be paid on a Net 7 or Net 10 basis. That means payment is due seven - ten days from date of the actual cleaning.
- **If we come to your residence for a scheduled job, and we can not get in (key doesn't work, no one home, etc) we will charge you a minimum fee of 50% of the cleaning scheduled for the trip.**
- If you need to cancel your cleaning please call at least 24 hours in advance so we can book other jobs.
- If you own a vacation home and we come to a home to clean and the renter is still there and wants to stay later we do charge an additional **\$25** to come back and clean at another time.

Late Payments - Payments that are received beyond the due date stated on the invoice are subject to a late fee of **\$10 if payment is 7 days late**, and **\$25 after ten days late**. We will need that payment included with the cleaning fee. If the account goes more than 10 days not paid we reserve the right to terminate services.

Additional fees may be imposed for returned checks and/or closed accounts. In such cases you will be charged a \$35 fee for each returned check, and any additional bank fees that are charged to us by the bank. We may also ask to be paid in cash/check if online payments are late on a consistent basis.

We also note that any pre-existing conditions with the house be taken care of before we clean so that nothing is damaged further. Jennifer Hodges will notify the owner of the house if the cleaners notice anything not working properly, or damaged in the house. We are not responsible for pre-existing issues with the home.

Customer Service

Our clients' needs are our number one priority. We are available for on-site inspections, calls with customer complaints, or any issue or need you may have 24 hours a day.

Referrals / References

Hodges Happy Cleaning is happy to offer a **\$10 Fry's Food Card** as a referral reward to our clients. The client that you refer us to must hire us for at least one job for you to receive the gift. This is our way of saying thanks to our wonderful clients!

Contracts

At Hodges Happy Cleaning we **do not** require our clients to enter into a service contract with us. We do however request that you read through this service guide and address any concerns before our first cleaning service of your home. **We do ask that if you are going to discontinue use of our service that you give us a 2 week notice for residential cleaning and 30 day notice for offices.** This is only for our clients who are on a consistent weekly, or monthly service.

MISSING SCHEDULED CLEANS

We ask that if you don't need us to come for whatever reason that you let us know at **LEAST 24** hours before scheduled service. **IF** we come to a scheduled clean and no one is home or we can't get in, we do charge a **fee of 50% of the cleaning fee.** This will need to be paid **before** we continue service. After this we reserve the right to discontinue services, depending on the reason for us not being able to clean on a scheduled service.
